

DIGITAL
COOPERATION
PORTAL

What is the
**UN Digital
Cooperation
Portal?**

A new platform
to accelerate
collective action on
the Global Digital
Compact

Map digital initiatives from across the UN system and relevant stakeholders

Connect with partners worldwide

Track progress across AI governance, DPI, human rights online, and inclusive digital economies

Why contribute to the Portal?

- **increase** the visibility of your projects
- **support** global coordination
- **join** a growing network of digital actors
committed to shaping an inclusive
digital future

Share your initiatives at
